Last Game for Fall

Can not wait for Spring!!

Don't forget **Your Registration Pays for Both Fall and Spring Season!**

In January your current team parent will contact you to make sure your child will play soccer in April– for those who missed fall can sign up and fill vacancies. You will receive a touchline in the mail mid March with the spring soccer calendar and other information for the season.

Spring Practices will start at the end of march and the first game is in the beginning of April with the last game toward the end of May– So clean up those cleats and press the jersey and be ready for more soccer in the spring!

Off Season is a great time to become a Referee!

The off season is a great time to start the process to becoming a referee– you can start the online portion, and volunteer training and be ready for the classroom portion when the first class comes around. You can train on the lower levels before heading out to the bigger fields, and there are lots of people around who can help and support you. So check out the online training on EAYSO– and give it a go. If you have any questions, comments, or inquiries be sure to contact Leslie McWayne, the Referee Administrator at ref@albanyayso.org a line– she would love to hear from you

Supporting others

AYSO prides itself on sportsmanship— and with out positive parents and by-standers this would not be a reality.

Thank you for cheering for the other teams goals, encouraging your team to stay positive, for letting the coach direct your player, and for letting others know when to be quiet. Some times we are all “that parent” and it is okay, we understand.

Just remember a **happy player** will always **play harder, smarter, and re- turn to play again.**

To all of the role models around the field— Thanks and Happy cheering!

Check out the AYSO 870 web page!
