Keeping the game Safe, Fair, and Fun! Join our Referee Team!

Volunteers keep our program going and we need you! Sign up for the best "seat" in the house and help keep those smiling faces in the game. Referees are not just the police officers of soccer- we enforce the laws of the game in a positive and encouraging manner, keeping the kids Safe, the game Fair and we get to have Fun while we do it! We have a great group of well trained and highly experienced instructors who can give you the tools you need as a referee-- no soccer experience required! To join our team, here's what you need to do:

1. Log in or sign up at www.eAYSO.org and apply as a New or Returning Volunteer (Youth volunteers welcome, age 12 and older!)
2. Enter your eAYSO ID # at www.AYSOTraining.org and complete these online training modules:
